Uczelnia Państwowa

We are pleased to invite you to participate in the 8th International Scientific Conference "For the safety and development of the child. The child in the context of technology misuse", which will be held at Opole University of Technology on 20-21 November 2025.

The conference is **interdisciplinary** in nature and is addressed to individuals concerned with children's issues, including opportunities and threats related to technological development, as well as legal mechanisms for child protection.

The proceedings will be conducted in a **hybrid format** with real-time transmission. The languages of the conference will be Polish, Ukrainian, and English.

Detailed information about the conference, including the registration form, is available and regularly updated on the website: <https://weiz.po.edu.pl/bird>

## Accommodation:

Conference participants can stay at the Mercure Hotel (Opole, 57/59 Krakowska Street). The hotel is located near Opole Główne Railway Station and the Transfer Center.

The offer for Conference participants includes a single room with breakfast for PLN 300 gross per day. This offer is valid until 31 October 2025 or until all rooms are booked. Registration and payment for accommodation are at the participant's own expense. The hotel issues an invoice either with a Tax Identification Number (NIP) or for individuals.

For room reservations, please contact: [H3405@accor.com](mailto:H3405@accor.com) and include the following code: KONFERENCJA BIRD.

A gala dinner is also planned for the evening of November 20 at the Mercure Hotel.

**The detailed program of the Conference will be published in October. We invite you to prepare presentations on the following thematic areas:**

1. The Child and Technology – Rights and Needs of the Child
2. Philosophy of Technology
3. Ethics in Theory and Practice
4. Threats from Digital Technologies and Artificial Intelligence
5. Threats from Military Technologies
6. Threats Related to Civilization Diseases and Environmental Pollution
